"Major Clean provided exceptional service in response to Hurricane Helene. The entire state of Georgia was under a State of Emergency, and Major Clean was able to deliver two 53' trailer loads of product to the City of Augusta under dire circumstances to include road closures due to debris, washouts, and power lines shutting down routes. Major Clean was the most responsive vendor we dealt with and the Georgia Emergency Management and Homeland Security Agency, as a customer, could not be happier!"

-Thomas R. Moore, Deputy Director of Emergency Management, Georgia Emergency Management and Homeland Security Agency (GEMA/HS)

PAST PERFORMANCE

- **Georgia Emergency Management and Homeland Security Agency:** Supplied No Mosquitoz® to support Hurricane Helene disaster remediation efforts in Augusta – Richmond County.
- **Department of the Navy – Integrated Electronic Warfare Simulation Branch:** Supplied OdoBan® PRO to support COVID-19 relief efforts.
- **Houston County Detention Center:** Supplied OdoBan® PRO disinfectant to support cleaning and sanitizing needs in the correctional facility.
